

## A List of SAS® Courses Thought

### Professional development courses:

#### *Statistics Courses*

<b>Institution, country</b>	<b>Course title</b>
Telecomm company, Bucharest, Romania, SAS Institute, various banks in Croatia, Serbia, Slovenia, pharmaceutical companies, telecommunication companies, etc	Statistics I: Introduction to ANOVA, Regression and Logistic Regression using SAS® EG software
SAS Institute, Ljubljana, Slovenia and Zagreb, Croatia	Statistics II: ANOVA and Regression
SAS Institute, Zagreb, Croatia	Categorical Data Analysis using Logistic Regression
SAS Institute, Ljubljana, Slovenia	Advanced General Linear Models with an Emphasis on Mixed Models
SAS Institute, Tirana, Albania (Bank)	Jmp® Software: Data Exploration
SAS Institute, Tirana, Albania (Bank)	Jmp® Software: ANOVA and Regression
SAS Institute, Zagreb	Jmp® Software: Introduction to Categorical Data Analysis
SAS Institute	Jmp® Software: Classic Design of Experiments
SAS Institute, Zagreb, Croatia	Applied Clustering Techniques
SAS Institute, Ljubljana, Slovenia	Modeling Techniques for Categorical Response Data
SAS Institute, Ljubljana, Slovenia	Marketing Research: Practical Applications Using the SAS® System
SAS Institute, Ljubljana, Slovenia	Statistics I: Introduction to ANOVA, Regression and Logistic Regression
SAS Institute, Ljubljana, Slovenia	Applying Statistics to Business Decisions: A Point and Click Approach
Central Bureau of Statistics, Skopje, FYR Macedonia	Statistics I: Introduction to ANOVA, Regression and Logistic Regression (using survey data)

**Data Mining and Big Data courses:**

<b>Institution, country</b>	<b>Course title</b>
SAS Institute, Ljubljana, Slovenia	Introduction to Multivariate Data Analysis
Telecomm company, Bucharest, Romania, SAS Institute Zagreb, Ljubljana	Predictive Modeling Using SAS® Enterprise Miner
SAS Institute, Ljubljana, Zagreb, Belgrade, Tirana, etc.	Applied Analytics Using SAS® Enterprise Miner
SAS Institute, Belgrade (Bank)	Advanced Predictive Modeling
SAS Institute, Zagreb	Predictive Modeling using Logistic Regression
SAS Institute	SAS® Visual Analytics

**SAS® Programming Courses:**

<b>Institution, country</b>	<b>Course title</b>
SAS Institute, Ljubljana, Slovenia Zagreb, Belgrade, etc.	SAS® Programming I
SAS Institute, Zagreb, Belgrade, etc.	SAS® Programming II
SAS Institute, Zagreb, Belgrade, etc.	SAS® Programming III
SAS Institute, Zagreb	SAS® Macro Programming I and II
SAS Institute	SAS® Enterprise Guide I and II
SAS Institute	SAS® SQL I and II
